

St. Patrick Catholic School  
1<sup>st</sup> Grade Summer Reading  
2016-2017

Please make reading an important part of your child's summer. I can say without hesitation that the best way to become a better reader is to spend time reading. Setting aside 20 minutes of reading time each day will make a dramatic difference in your child's success in the up coming school year.

First Grade's summer reading assignment is try to read 20 minutes each day. Attached you will find a sheet to record your time spent on reading (page1). Then choose your favorite book and complete the activity on the back (page 2). This sheet needs to be turned in on supply drop-off day or the first day of school.

Below, you will find a list of books; you may pick from the list or choose your own. Have fun!
